REVIEW OF THE WILMINGTON MARKET. FOR THE WEEK ENDING MAY 2D, 1860.

TURPENTINE-After closing our review on Wednesday last the price of new virgin declined 50 cents, but in other qualities no change has taken place. There has been a steady deman I from distillers, and the market since has ruled firm at These machines are warranted first class, and fully equal \$3 for new virgin, \$2 60 for yellow dip, and \$1 55 for hard, per 280 lbs. SPIRITS TURPENTINE—The market ruled steady at 41 cents up to Friday, when the advices received were rather more favorable, and the price went up half cent. Since then there has existed a fair demand, and one or two small lots have sold at a further advance—the market closing at 41½ a 42 cts.

Several parcels of new crop Pale have arrived and been put on market, but it is exceedingly difficult of sale.—
On Friday last sales were made of 139 bbls. extra Pale at \$3 25 per bbl.;-no sales since reported, and the market closes inactive. For No. 1 the market has also ruled quiet, and the sales have been mostly of small parcels. We quote sales on Thursday of 200 bbls, inferior at \$1 20 to \$1 35, and Saturday 23 7 do. at \$1 40 to \$2 per bbl., as in quality. No. 2 has been in light request, and sells at nearly the same price as Common. On Wednesday 200 bbls. No. 2 sold at \$1 20 per 310 lbs.; and Saturday, 1200 do. No. 2 and inferior No. 1 at \$1 25 per bbl. For the Common article there has been more enquiry, and there is more firmness in the market, caused partially by a shade decline in freights; we have, however, but small transactions to report. The quantity ar-

market has become almost worked off, and butchers have not sufficient on hand for their immediate uses. We quote

at prices ranging from 9 to 104 cents per lb., and would remark that latter price can be easily obtained for a prime ar-BARRELS—In empty Spirits Turpentine barrels we have no change to report as regards prices, though the market continues to rule exceedingly dull. There is a fair stock of second hand ones in first hands, and scarcely any demand exists, and only occasional small sales take place at \$1 30 to \$1 50 for lots as they run, and \$1 80 to \$1 85 for selected, cash and time. For new ones (New York make) there is not as the second demand and we can be \$2 10 to \$2 15 anches. some demand, and we quote at \$2 10 to \$2 15 each, as in COFFEE—We have nothing new to report in the market for this article. CORN MEAL--Is in moderate demand, and none coming in from the country ;-the stock on market is confined to parcels in the granaries, and we quote sales at 95 cents to \$1

DRIED FRUIT-Continues to arrive slowly, and we notice some enquiry. A lot of 6,000 lbs. apples sold on Monday at 42 cents per lb. No sales of peaches except in the small way, and we quote nominally at 7 to 81 cents for unpeeled and 10 a 12 cents for peeled. FISH-The market is rather better supplied with Eastern Herring, a lot of 500 bbls, having arrived in the early part

of the week, which have gone into store. Other descriptions are in very light supply. See table for prices. FEATHERS-Are wanted, and good quality meet with ready sale at 50 cents per lb. FLOUR-The advices both from home and foreign markets received since our last represent an advancing tendency in prices, and the market here exhibits more firmness, and quotations are 25 cents higher. On Friday last a lot of 200 bbls. State brands sold at \$6 75 for superfine, and \$7 per bbl. for family; we also notice sales since of a few small lots at \$7 for superfine, and \$7 25 for family. Owing to the mea-gre arrivals for some weeks past the stock on market has be-

their rates; we however, quote at \$7 for superfine and \$7 25 for family as being about the market. GUANO-Is in fair demand, and the market rules steady at ormer quotations. Two or three parcels have arrived during the week, and we notice a fair stock on market. We quote sales as follows: Peruvian \$60; Reese's manipulated \$50; American \$40; Sombrero \$35; Superphosphate of Lime \$50, and Land Plaster \$10 per ton, in lots as wanted. GRAIN-For CORN the market has ruled rather quiet since Wednesday last, and shows a decline of 2 a 21 cents on for-

come materially reduced, and some holders have advanced

mer quotations. The market is at present very well supplied, and the demand from dealers has become somewhat checked. The receipts for the week reach only 11,682 bush- & B. G.
